1. Visions, values and aims

Our school is an inclusive 11-18 school serving Wallingford and the surrounding villages. The school supports the principle of inclusion for pupils with Special Educational Needs and Disability (SEND). We believe that a policy of inclusive education has the potential to benefit ALL children. We are committed to ensuring that all students realise their potential by sharing a common entitlement to a broad, balanced and accessible curriculum, having access to a wide range of extra-curricular activities and feeling that they belong in, and are part of, the school community This provides equality of opportunity and enables good outcomes for all students, regardless of specific need or disability, with the aim of 'sending every child into the world able and qualified'.

*Adapted to reflect that Inclusion is about a sense of belonging, not just being integrated into mainstream lessons.

2. Our context

Further information about our SEND context can be found via the following resources:

- The Local Offer gives detail about what support and services should be available to those with SEND in the locality. This is the responsibility of Oxfordshire County Council. More information can be found at https://www.oxfordshire.gov.uk/cms/public-site/specialeducational-needs-and-disability-local-offer
- The Special Educational Needs Information Report is published annually by the school's Special Educational Needs and Disability Coordinator (SENDCo) and provides information about what is being delivered at Wallingford School. The latest report can be found at file:///S:/SEND%20Information%20Report%202018%20(2).pdf

 The Special Educational Needs Policy is produced by Wallingford School and gives detail about how the school aims to support students with SEND in conjunction with the Local Offer.

This policy has been written by the SENDCo in consultation with the Governing Body and parents of students with SEND through the SEND Parents' Forum Group.

3. Identification and support:

Definition of SEND (Education Act 1996)

A child or young person has SEND if they have a learning difficulty or disability which calls for special educational provision to be made for him or her.

If he/she -

- has a significantly greater difficulty in learning than the majority of others the same age
- has a disability which prevents or hinders him or her from making use of educational facilities of a kind generally provided for children of the same age in mainstream schools.

We aim to identify pupils who may be in need of SEND support in the following ways: whole cohort assessments on entry in Yr 7, encouraging referrals from teachers, regularly reviewing pupil progress data and investigating parental concerns. Oxfordshire County Council's Guidance is also used to determine where SEND support may be necessary and identify individual need.

4. What to expect at Wallingford School

We aim to:

 to provide academic and pastoral support for pupils with SEND to ensure they fulfil their potential

Wallingford School, St George's Road, Wallingford, Oxfordshire, OX10 8HH t: 01491 837115 e: office.4140@wallingfordschool.com www.wallingfordschool.com

- to fulfil our statutory obligations to pupils with EHCps.
- to collaborate with parents/carers and involve them in the education of their children so that there is a shared perception of their progress and desired outcomes
- to work successfully with young people in our care and involve them in their own education, ensuring that they have a 'real voice' and a sense of belonging at school
- for all teachers and teaching assistants to have high expectations of all students, particularly those with SEND
- for all students with SEND to become independent and resilient so that they are well prepared for the future
- to be flexible and creative in meeting specific individual needs.

We do this by -

- providing differentiated, 'quality 'first'' teaching (in the classroom) as a priority
- providing quality small group and 1:1 interventions to develop literacy, numeracy and social communication skills
- identifying students with SEND and specifying the nature of need
- operating a whole student, whole school approach to the management and provision of support for SEND
- providing a SENDCo to manage and co-ordinate Special Educational Needs provision in school
- providing support, training and advice for all staff working with SEND students through training delivered by SENDCo, Senior Leadership Team and outside professionals
- delivering training for staff in response to individual pupil need
- meeting regularly with parents to discuss progress and agree next steps
- holding Annual Review meetings for pupils with EHCps to reflect on their progress against agreed outcomes
- creating and regularly updating bespoke pupil profiles detailing the nature of individual pupils' specific needs and personalised teaching strategies

- providing support and advice to parents/carers and students and actively developing and maintaining partnership and high levels of engagement with parents by operating an 'open door' policy
- ensuring access to the curriculum for all students through monitoring of quality first teaching by SENDCo and SLT.
- continually assessing, monitoring and reviewing progress for all students, ensuring that a 'graduated response' is used i.e. focussing on assessing, planning, doing and reviewing to inform future plans
- making effective use of support services, where it might improve our provision
- collaborating with external agencies to support pupils and families
- enabling every child to experience success and recognising and celebrating achievement
- providing a safe environment for SEND students with the appropriate facilities and specialisms: SEN Base for interventions, breakfast, lunch and homework clubs, Re-FLEX Learning Centre for students requiring alternative support
- supporting the emotional and mental health needs of vulnerable students
- ensuring that transition from Primary School is carefully managed, enabling all new students with additional needs to start Wallingford School with confidence.
- providing enhanced transition for pupils with complex SEND needs in Year 6
- ensuring that appropriate support is also provided for transition to higher or further education.

More information about what to expect at Wallingford School is available in the Special Educational Needs Information Report available from our website.

5. Roles and Responsibilities

The Head Teacher (John Marston) has responsibility for the management of all aspects of school's work including provision for students with SEND. He keeps the governing body informed.

The Governing Body, in cooperation with the Head Teacher has a legal responsibility for determining the policy and monitoring provision for students with SEND. The SEND Governor is Peter Rostron.

The Senior Leadership Team (Fin Lewis, Katie Vowles, Rhona Miller, Alison Mummery, Tommy Lee and James Keeling) maintain an overview of liaison with outside agencies and students with SEND.

The SENDCo (Kate Atkins) has day to day responsibility for the operation of the school's SEND Policy. She coordinates specific provision to support individual students with SEND and is responsible for identifying these students using Oxfordshire County Council's Guidance and referrals from teachers, assessment data and concerns raised by parents. She also provides professional guidance to colleagues and works closely with parents and outside agencies. She oversees the deployment of Teaching Assistants and Teachers of SEND.

The Teachers are responsible for meeting the needs of SEND students in their classes.

The Teaching Assistants support students in the classroom to enable them to become independent learners. They also deliver a range of small group and 1:1 interventions.

6. Accessibility

Wallingford School offers a broad, balanced curriculum and extra-curricular opportunities for all students including those with SEND. Adaptations for Key Stage 3 and Key Stage 4 can be found on the Key Stage Provision map detailed on the SEN Information Report and the School's Disability and Access Plan available from the school's website.

7. Dealing with Complaints

Issues relating to SEND should be discussed with the SENDCo in the first instance with a view to resolving them informally. If this is not successful, parents are asked to follow the school's Complaints Procedure, which can be obtained from the school website, or main office.

8. Storing and Managing Personal Information

Documentation relating to students with SEND is kept, locked, in the SEN office. Once a student has left the school their file can be requested by the

receiving school or college. Files of students who leave are dated, stored securely and disposed of after six years.

9. Compliance

This Policy complies with the statutory requirement laid out in the SEND Code of Practice 0 – 25 YEARS (July 2014) and has been written with reference to the following guidance and documents:

- SEND Code of Practice 0 25 Years (July 2014)
- Wallingford School's SEND Information Report
- Wallingford School's Disability and Accessibility Plan
